			Sample # 1	

Date of Fit Comments: 2/2/16 **Author of Fit Comments:** Jackie Lee **Model:** Liz
Attendees: Kelly, Ipek, Karissa, Jonah, Karen, Jess.S, Irene, Angie, Paras
Garment Color: Grey

Fit Recap: 1st fit sample is not approved. Due to i do not have the ptn for the correxitons, pls follow below cmnts and tapped sample for next fit sample .

Design Changes:

- Increase body length
- Increase zipper length
- increase body circ
- Reduce collar point
- Re-shape front/bk princess seam
- Move pkt more toward side seam
- Expose snap on pkt flap

Fit Comments:

- 1- length- Pls increase 1" at CB and 1 1/4" at front due to little hiking at front
- 2- Shoulder seam is little too squared- pls follow pinned sample to soften it
- 3- Collar point- pls narrow 1/2" to 0 at CB collar height
- 4- Zipper - pls extend zipper to nk seam and increase zipper length as well due to front length have increased
- 5- Pls follow pinned sample for revised raglan seam, front/back princess seam, front placket seam for next sample
- 6- Body circ- pls increase as revised spec as giving
- 7- Armhole- pls lower approx 3/4" due to little too high and increase slv muscle as well
- 8- Pocket plcmnt- pls lower 1/2" and shrift pkt approx 1" toward side seam as pinned on fit sample
- 9- Pls revise snap on pkt flap to be expose for next sample
- 10-Pls reduce sleeve opening 1/2"
- 11- pls follow all other measurements as requested spec for next sample

Construction/Workmanship:

- Overall, sample cannot approved due to many corrections. pls follow above cmnts/pinned sample for next sample
